Announcer: Here at the kennels, we feed Gaines Meal. And a retriever, being a hunting dog, needs a great deal of endurance. (dogs splashing)

Announcer: Good bone structure, staying power. Gaines Meal satisfies all of these requirements. All of these dogs have been fed Gaines Meal since they were little fellas. And when a customer comes in to buy a puppy, they always have a stock question. The question, what do I feed him? And we have a stock answer, Gaines Meal.
