

Endorser: You're going to see a solid steel ball, destroyed by friction in seconds. In a regular industry test of motor oil. Another will be unharmed, to prove a new motor oil. Texaco's new Havoline, now gives you reserve lubrication. Extra lubrication beyond the ordinary demands of your engine. The test starts with three steel balls, then oil. Texaco's new Havoline. A top competitive premium. Ready? Start. (machine engine roars) The same extreme pressure is applied to both. Pressure designed to break the limits of lubrication. Now look, friction welded metal to metal with a competitive oil. The same thing happened with the five other leading motor oil. But not with new Havoline, now with reserve lubrication. That's lubrication you can trust. Get Texaco's new all temperature Havoline, at no increase in price. ♪ You can trust your car ♪ ♪ To the man who wears the star ♪ ♪ The big, bright Texaco star ♪
