- Jerry!

- I only had one cavity!

- That's my boy!

- How did you do it kid?

- Tell him Terry.

- We switched to Crest.

- Are you sure it was the Crest?

- Now I am that fluoride stuff works. The others, we tried didn't have it. For my money, Crest is the cavity expert.

- It looks like you have a winning formula coach. (laughing)

Spokesperson: Fighting cavities is the whole idea behind Crest.
