

- Gladys, that's my favorite ashtray you're throwing away. And I like this toothpaste.

- You don't need them.

- Maybe this doesn't fit in with your color scheme but it does cut down on the cavities.

Wife: So does this dear.

- Mint flavor Crest.

Announcer: Now Crest comes in two flavors, regular and new mint. For fewer cavities, have checkups, watch treats and brush after meals with Crest.

- Keep your mint. But my Crest and my ashtray stay.
