

- Hi! How was the vacation? Sorry. What's with her?

- Her wash is gorgeous.

- Must be my wash. Hers looks so dull and dingy, like mine did until I found new Enzyme Bold.

- She must have a new detergent.

- No more stains. No dullness. My clothes are so bright. Love you Enzyme Bold!

- Mine's clean. Even the blueberry stains came out. How come hers looks better, brighter?

- Takes more than cleaning power to get clothes bright and new Enzyme Bold has more. Look! Green, white and blue things!

- Those reds. The yellows! Her white's the whitest and I sent her a jumbo postcard for the Grand Canyon.

- She did send me that weird postcard. Well, oh! Clumsy of me.

- A new Bold?

- With enzymes. See how bright?

- Well, now that you mention it,

Male Narrator: New Enzyme Bold goes beyond cleaning and stain removal. Gets clothes bright.
