

- No, no, no gentlemen, the entire structure should be elongated to meet this section here.
- Why extend it's unnecessary to the basic function.
- You two have completely overlooked styling.
- We're talking about length.
- Length!?
- Length.
- Length!?
- That Length is for giants, tall giants.
- Tall? This isn't tall this is over the calf see? It comes all the way right here and its gonna stay here.
- What about above the ankle? That is beautiful.
- (indistinct chatter)
- Short with some style like this good looking panel here.
- Perfect. (indistinct chatter)
- The great sock debate, reasoning men, reasoning together. To wear the Hanes Plus4 Caprolan over the calf or above the ankle with or without the panel. This moment in sock history has been brought to you by Hanes Plus4 Ban-lon socks of Caprolan nylon. The standup socks, men stand up for.
