Woman: That's all there is to making Sodaburst. Sodaburst, the real ice cream soda that makes itself at home in one minute cold. Here's where you keep it and here's how you make it. (upbeat scatting) Just pop Sodaburst in a big glass. Add plain tap water. That's all. Then let her bubble. In one minute, you've got a good, old-fashioned ice cream soda, a big, healthy scoop of ice cream, real soda fountain fizz, gobs of flavor, and lots of fun. Who likes Sodaburst? Who doesn't? It's the real ice cream soda that makes itself at home in one minute cold in your choice of flavors, black and white, all chocolate, strawberry and pineapple. They're in the ice cream freezer at your store. Sodaburst by Birds Eye.
