

- How about some Cool Whip for these berries, Sarah?
- Ooh, berries this fresh deserve something better than Cool Whip.
- What's better than Cool Whip?
- New improved Cool Whip. Tastes even fresher, even more like homemade.
- Sarah, where's the Cool Whip?
- Cake this fresh should get something better, Mr. Kinkade.
- What's better than Cool Whip?

Sarah: New improved Cool Whip. You like it?

- I'll, uh, let you know. (chuckles)

Announcer: Introducing new improved Cool Whip. Non-dairy whipped topping.

- Tastes fresher. Even more like homemade.
