Narrator: Who knows what greatness lives in the heart of a dog? (suspenseful western music starts) We do. That's why we at Gaines, makes Gravy Train the way we do. It isn't just stuff to fill 'em. It's great hunks of good food he can bite into. Packed with the nutrition that took decades of research to put into a dog food. And because we know that dogs like to enjoy what they eat. We make Gravy Train so it makes its own gravy. when you add water or don't add water and you've got a good dry dog food. Wet or dry, Gravy Train is wanting to feed your dog every day. You know how great your dog is. Now, you know why Gravy Train is a great dog food. (horse whinnying) Gravy train makes a dog feel like, Rin Tin Tin. (dog barking) (suspenseful western music ends)
