

- But I just can't.

- (indistinct) came to bed.

- Hmm, did you ever try using a brush? (laughs)

- Dishwashing, Madge.

- Well try Palm dishwashing liquid. It softens your hands while you do the dishes. You're soaking in it now.

Blonde: Dishwashing liquid?

Madge: It's Palmolive.

- That mild?

- Oh, it's more than mild. And at home, the suds just last me forever. And it softens hands.

- Madge, I'm so grateful for Palmolive liquid. You must let me thank you.

- Oh no, but how about my kitchen? (ladies laugh)
