

- Did you hear? There's a great new cereal from Post that comes with sliced peaches right in the box. Crunchy corn flakes and luscious peaches, all peeled and fresh freeze dried. Just add milk to make 'em plump and juicy again.

Narrator: What a mouthful.

- It's the only cereal with corn flakes and peaches, all in one box. And guess what they call it? Give up? It's obvious. It's...

Narrator: It's new Corn Flakes & Peaches. Another wonderful new fruit in the box cereal from Post. Try, Post's Corn Flakes and Strawberries too.
