

(horn honks)

- Taxi's here.

- Oh, I gotta change him. He's soaked.

- Again?

- What can I do, use two diapers?

- Two diapers?

- Oh, seriously, what can I do? He's a heavy wetter.

- Don't you know about these?

- Pampers?

- New Super Absorbent Pampers.

- They're really better?

- Yep, lots more padding, and with Pampers' Stay-Dry Lining, they keep even heavy wetters drier than ever before.

- They really feel thick. (car honking)

- Meter's running.

Announcer: New Super Absorbent Pampers, the most absorbent Pampers ever made.
