

- Hey, you guys, aren't we the greatest?

- Yeah, we're the greatest.

- We're the king of the cold medicine.

- You bet we are.

- Hey, who's the new guy over there?

- Check him out.

- New, Vicks NyQuil, nighttime cold medicine.

- Hey, I think I know that NyQuil. I heard he relieves minor sore throat pain and coughs. Do we do that?

- Well, no.

- I thought not.

- I heard NyQuil relieves sniffles and sneezes, and minor aches and pains too.

- Oh yeah, how about congestion?

- Yeah, how about it?

- Let me look.

- Well?

- Hey, guess what?

- What?

- NyQuil relieves nasal congestion too.

- That NyQuil is really something.

- They say NyQuil relieves those major cold symptoms so well it even helps people get the rest they need.

- Rest at night?

- Yeah, and since NyQuil also relieves more major cold symptoms than us, things are gonna get tough.

- Oh, we were here first.

- Who does that NyQuil think he is?

Spokesperson: Try Vicks NyQuil. It relieves your major cold symptoms so well, it even helps you get the rest you'll need.
