

(hands thumping)

- Feeling pretty tight, huh, Mr. Finchley?

- Yep, Henry.

- Dad! Dad!

- Jimmy!

- I only had one.

- One what?

- One cavity!

- Aw, that's great. You know, Mr. Finchley, since he started brushing with Crest toothpaste, it really made a difference.

- Why is that?

- Crest got fluoride, and the others we used didn't.

- That Crest, that sure takes the punch outta cavities! (Mr. Finchley groans)

Announcer: Crest with Fluoristan, the cavity fighter.
