

(group chatting)

- A new dish! Scope? For bad breath, once in the morning does it the Green Phantom. This is not for me, I use Scope. This is for you.

- Oh. How kind you are. Scope?

- Scope fights bad breath.

- Oh, fights bad breath. But it is not for me, its for you.

- I use it first thing in the morning and my breath feels fresher for hours.

- Yeah, terrific. But I ordered egg roll. It must be for you.

- You're so gracious. But my breath is no problem. It's as fresh as lotus blossom. Please.

- No different, please.

- Green Phantom, whoever you are. We have ways of dealing with you. (Gong ringing)

Narrator: Green Phantom say, once in the morning with Scope does it.
