

- Hi!

- Hi!

- Got any furniture polish?

- I think so.

- Oh, I just ran out.

- Here you go.

- Oh, I don't dust with Pledge. Well, what's the difference?

Announcer: She'll see. Pledge picks up fingerprints, smudges. See, really highlights the beauty of wood.

- Mine doesn't look that good. Your Pledge looks better! Clean, natural beauty. I love your Pledge. (knuckles rapping)

- Knock anytime.

Announcer: Pledge, clean, natural beauty every time you dust.
