

- It was a good party. But oh, that stale after the party smell. Phew! This room needs, Glade. (spritz sound)  
Ah, that does it. Glade makes the indoor air seem fresh as all outdoors. Glade To the wonderful new aerosol  
air freshener from Johnson's Wax. Other products just hide odors under a heavy perfume. But Glade  
actually destroys odors. ♪ The odor's got to go ♪
