

- Yeah, I went out and bought a pack of Personna blades and believe me, I had every intention of writing your fellows a nasty letter.

- You're kidding.

- No, I'm not.

- Why?

- Well, I thought the claim was too much, I didn't believe it. You know, that I get so many more luxury shaves or Personna would buy me a pack of (beep) or (beep)-

Interviewer: Or any other blade on the market, right.

- Well, I tried 'em and I'm disappointed.

- You're are?

- Yeah. I can't send you that nasty letter.

Interviewer: You... Oh.

- I'm not kidding. With Personna, I get about 17 or 18 shaves on one blade.

Interviewer: Oh-ho. You had me going there for a bit.

- No, they're really good. (both laughing)
