

- My tummy wants

(birds chirp) something yummy, Super Sugar Crisp.

(bell dings) It's coated with golden sugar.

- I'll hide Sugar Bear's Super Sugar Crisps so he can't find it.

(cereal crunches)

- Sugar Fox, have you seen my Super Sugar Crisps?

- No. What does it look like?

- It's coated

(cereal clinks in the bowl) with golden sugar.

- Golden sugar?

- Yep. Makes it (cereal crunches)

yummy for your tummy. Post's Super Sugar Crisp cereal's part of a balanced breakfast.

- Well I hid it.

(flute trills)

- And I found it.

(cartoon spring bounces) Gave my tiny, golden, yummy, Super Sugar Crisp.
