- Be a sport, Herbie, try the coffee.

- Coffee? Oh, your coffee's always a real treat.

- This time it's Instant Maxwell House coffee, like your mother makes.

- Alice!

- Herbie, you can't miss with Instant Maxwell House coffee. You're just going to love it!

- That's great.

Alice: I knew it.

- That's great tasting coffee, Alice.

- Then it's all right about the toast?

Herbie: Ahuh.

- And about the eggs?

- You can't miss with Instant Maxwell House coffee. Right?

- Great tasting coffee, Alice.

Alice: It's another fine product of General Foods.
