

- Thanks.

- They're really rushing today.

- Hate to tell you, Stacey, it's your breath.

- My breath?

- Try Scope. It works.

- I use my mouthwash. There.

- You smell medicinal.

- My mouthwash fights bad breath.

- Like antiseptic, Scope gets your breath clean, plus your breath's minty fresh, not medicinal.

- Really?

- Really.

- Ah. Clean and fresh.

- You won't be able to drive 'em away.

Announcer: Scope fights bad breath. Scope doesn't give medicinal breath.
