

- Oh, Sue, I love that old-fashioned cradle.

- Frank's mother gave it to us.

- The cloth diapers her idea, too?

- She said a good mother uses cloth diapers, so that's what I'm gonna do.

- Well, I'm a good mother and I use quilted Pampers.

- You don't use cloth diapers?

- Not since I discovered these quilted Pampers stay twice as dry.

- Gee, they are quilted. But twice as dry?

- Twice as dry. Wet both and wait a minute. You'll see Pampers' quilted lining stays twice as dry.

- Drier's gotta feel better. I'm gonna use Pampers.

- What about Frank's mother?

- Oh, I think I'll let Frank tell her. (both laugh)
