It's the first modern topping with that good, old-fashioned taste. New Cool Whip comes whipped. Birdseye freezes it to keep it fresh-- right in its own, little bowl. All you do is dip it out. It keeps in the refrigerator, ready to serve. It's the first modern topping with that good, old-fashioned taste; has lots less calories than whip cream you make. It's new. >> ♪ Yum, yum, yum >> ♪ Cool Whip... >> In your grocer's freezer now. >> ♪ Comes whipped >> Brand new, from Birdseye. >> ♪ Cool Whip >> Try it. >> ♪ It's the first modern topping with that good, old-fashioned taste. ♪
