

- When daddy kisses me, he smells like medicine mom.

- It's his mouthwash.

Narrator: Today, dad is trying Scope. He figured since his regular mouthwash tastes like medicine, it smells like medicine, but Scope leaves his breath feeling, smelling, fresh and pleasant.

- Bye sweetheart.

- Bye Love.

- Mwah
(lips smacking)

- Hmm.

- So long slugger (lips smacking)

- Daddy smells good today mom.

Narrator: Don't trade, bad breath for medicine breath. Scope protects with pleasant breath.
