

- Come on, we'll be late for the plane.

- Oh no, she's wet.

- But you just changed her.

- Tell her.

Woman: Here, try these new Pampers.

- Extra absorbent daytimes? A new size!

- Uh huh, these new Pampers are the most absorbent daytimes they've ever made.

- The most absorbent?

Woman: Yep. All this extra padding really keeps babies dryer.

- This new size of Pampers is really great.

- Let's go!

Announcer: Pampers' new, extra absorbent, daytime size the most absorbent daytime we've ever made.
