

Announcer: Introducing Super Joe Commander with the 1-2 Punch. He also has a Power Light Vest you can imagine he's ready at night with a beam of light. One penlight battery for each not included. And you can plug in things. Imagine this Super Joe Helipak gets him to trouble fast. Uh-oh. It's Gor, King of the Terrons. Gor has a red power ray, but as you can imagine, Super Joe's ready with a beam of light. Imagine the fight. Imagine it's lights out for Gor. Super Joe Commander, Gor, King of the Terrons, and Super Joe Helipak, each sold separately. New from Hasbro.
