

- This chocolate cake was baked by Mrs. McAllister. And this was baked by Sara Lee. I'm going to taste hers.

Mrs. McAllister: I'm very proud of it. It's loaded with chocolate, butter, eggs.

- Tastes good. And you try ours. What do you think?

- It's very chocolatey. I really think it's delicious.

- It's made with the same good things that make your cake so delicious.

- I think it's as good as mine.

- I like it.

- Nobody does it like Sara Lee.

- Sara Lee Chocolate Cake. It's as good as Mrs. McAllister's.
