

(music playing) (music continues)

- Sodaburst!

- That's all there is to making a sodaburst. Sodaburst, the real ice cream soda, that makes itself at home in one minute cold. Here's where you keep it, And here's how you make it; Just pop sodaburst in a big glass, Add plain tap water, that's all. Then let it bubble, in one minute, You've got a good old fashioned ice cream soda. Big healthy scoop of vanilla ice cream. We have soda fountain fiz! Lots of flavor and lots of fun. Who likes sodaburst?, who doesn't. It's the real ice cream soda that makes itself at home in one minute cold. Black and white or strawberry flavors in ice cream freezer at your store. Sodaburst, You know it's good. The little birds eye tells you. (music fades)
