

(upbeat music) (woman cries)

- Hi, I'm Peanut Butter, this is Jelly. We just tried out for a new Peter Paul candy bar, and Jelly didn't make it. Jelly, I won't go without you.

- But Peanut Butter, you must.

- Jelly.

- You must go on and become a star.

- Oh, I'll never forget you, never. I'll make them name the candy bar after you.

Narrator: Peanut butter with no jelly, the new peanut butter candy bar from Peter Paul. It's covered with pure milk chocolate dotted with crispies, but no jelly.

- Oh.
