

Travel Writing in the Time of Pandemic

Imagine travel writing when travel is
discouraged
when moving is not safe
when movement is dangerous
when leaving your house can get you sick.

Here, I travel
from my bedroom to my desk
from the kitchen sink to the living room couch
from this room to another. The room that I dream of
is not my own and yet
it isn't someone else's.

Are you lost? Do you want to go home?
Where will you go? Where will you return to?
Do you want to go on? Do you want to go back?

I want to go. I should not leave.
