TREATMENT REPORT FORM

Call Number: E Pam 12mo H391 1854-59, 1861-62, Haggadah Pam #47	Lab Number: 2002/3-006
Library/Department: RBMSCL	Author/Artist: Hawaiian Evangelical Assoc.
Librarian: Linda McCurdy	Title: Minutes
Date Examined: 2/5/03	Publication Date: 1854-62
Examined by: Beth Doyle	Size: H cm W cm T cm
Special instructions: Disbind 9 pamphlets for microfilming	

Treatment Performed:

1. Released existing sewing threads and removed. Thread fragments were returned to RBMSCL with items.

The condition of the text papers in this collection of pamphlets range from good to poor. Some of the covers are brittle and in danger of falling off if handled roughly. One pamphlet's cover has fallen away from the text block (E Pam 12mo H391 1858).

Please send these items to Conservation when they are returned from microfilming. Conservation will re-sew each pamphlet and repair any damaged pages.

No condition report on file for these items.
